Can we afford to lose the German House?

We are looking for students who want to enrich and deepen their studies in German by living in a German language environment in the German House.

Vacancies for the Academic Year 2007-2008!

The German House offers Saint Louis University students a unique opportunity to live in a German cultural setting, speak the language, and take advantage of the cultural and academic programs sponsored by the House. These include the weekly conversation hour, ethnic meals and dances, festivals, and holiday celebrations for German House residents and campus guests.

The German House has a faculty liaison and a German native-speaker as a Language Teaching Assistant, who will both assist with organizing the cultural and academic programs. The assistant will be living in the house with the students.

Amenities include: full livingroom, air conditioning, single and double bedrooms, full kitchen with refrigerators and microwaves, laundry facilities and community lounges.

THERE WILL BE AN OPEN HOUSE ON MONDAY OCTOBER 9, 2006 FROM 4 – 6 PM IN THE GERMAN HOUSE (on Laclede Ave. next to the Village Apts).
