DIRECTOR’S SCHOLARSHIP APPLICATION

The Director’s Scholarship is a four-year, full-tuition award valid only on the Madrid Campus, the recipients of which represent the most exemplary student leaders on our campus. The Madrid Campus reserves the right to limit the number of awards yearly. Students with a Director’s Scholarship must maintain a minimum GPA of 3.2. Students who decide to transfer to the St. Louis Campus after completion of at least one term will be awarded the Vice President Scholarship for that campus.

Eligibility: Freshmen applicants who meet the following minimum requirements are invited to fill out a separate application for Director’s Scholarship candidacy:

- Have been admitted to the Madrid Campus and awarded an Iñigo Scholarship.
- Cumulative GPA of 3.85 or higher if coming from a US high school (upper 10% of grade scale of other countries) as reported on high school transcript at closing of academic year prior to high school graduation.
- Official test scores of at least 28 on ACT or 1200 on SAT (math and critical reading only)

Only applicants who meet these requirements will be considered eligible for candidacy. These criteria will be used only for determining eligibility and will not guarantee that the student will be selected either for further competition or as a Director’s Scholarship recipient. Upon review of the applicants, a select group of students will be chosen for individual video conference interviews and compete for the scholarship.

Students who apply for the Director’s Scholarships should do so under the assumption that, if awarded, the scholarship will replace any offer of other Madrid Campus scholarships previously made as total scholarships cannot exceed the full amount of tuition. At the same time, Director’s Scholarship recipients will be expected to complete 10 administrative support hours per week (with no compensation) during the fall and spring term, and 5 hours per week if he or she registers for a summer session.

Application Requirements: Applicants must,

1. Meet the initial eligibility requirements.
2. Submit all components of our application for Freshmen Admission, including test scores required by March 1.
3. Submit a scholarship essay in writing of no more than 500 words about the following topic:

   Nearly all of our Director’s Scholarship applicants have demonstrated significant involvement in extracurricular activities, achieved recognition on a variety of levels and held at least one leadership position in his/her high school. Bearing that in mind, write about your related experiences and future aspirations that identify you as a deserving candidate for this scholarship.
