Lectures, demos, labs, webassign. She is an excellent speaker. Very good lecture., in small groups

Similarity to On-Campus offering: To what extent are this course section’s syllabus, aims, and content representative of an on-campus offering

It is very similar to my class.

Student Involvement: What are your impressions of student interest and involvement?

Strong student involvement. Only possible in high school.
Student Assessment: Are the depth and rigor of assessments equivalent to on-campus offerings?

Yes, they are.

Instructor’s marking and grading: Does the instructor seem comfortable evaluating student work?

She is comfortable.

If you had the opportunity to address the class were there any comments/questions?

We are particularly interested in items pertaining to 1818ACC policies, procedures or practices.

One question related to the new year long AP structure.

Additional Comments

She is a very good teacher.
