1818 ADVANCED COLLEGE CREDIT PROGRAM

New Teacher/New Coordinator Orientation

Evaluation

In an attempt to assess how effectively we have accomplished our goals for this New Teacher/New Coordinator Orientation Program, the staff of the 1818 ACC office asks that you complete this survey at the end of your orientation.

1. In which orientation did you participate, face to face or on-line?

2. What was your Primary Goal for this orientation? Did you meet your goal?

3. What was the “muddiest” point of this orientation?

4. What is your most significant “take away” from this orientation?

5. How can we improve the New Teacher/New Coordinator Orientation Program?
