Standard A3.9 French

Students participating in the 1818 ACC Program through enrollment in modern and classical language courses are assessed using the same methods (e.g., papers, portfolios, quizzes, labs, etc.) as students on campus. Because of the high value Saint Louis University and the College of Arts & Sciences place on individual departmental and faculty autonomy, rarely are any two syllabi identical, even among campus professors or instructors. The Languages Literatures and Cultures Department allows considerable latitude among both on-campus and high school instructors regarding the number and types of assessments used. However, within that latitude is the requirement that students are assessed using either teacher-made end of term exams and/or the on-line SLUPE exam.
