PRODUCTION PRACTICES AND APPLICATIONS

The following courses meet the production practices and applications requirement for the major.

- CMM 2550: Photojournalism
- CMM 2560: Graphic Design Production
- CMM 2510: Video Production and Design
- CMM 3120: Media Scriptwriting
- CMM 3560: Publication Design
- CMM 3710: Advertising Writing and Production
- CMM 3820: Communication in Third Places
- CMM 4100: Multiplatform Journalism
- CMM 4720: NSAC Advertising Competition
- CMM 4810: Digital Storytelling

In addition to these regularly offered courses, special topics courses (3930 or 4930) MAY meet this requirement. Past examples of special topics courses that would fulfill this requirement include sports documentary, community storytelling, and audio design and production.

Contact your department mentor or the Director of Undergraduate Studies for additional information on production practices classes offered each semester.
