Creative and Professional Writing Interdisciplinary Minor

Requirements

The concentration requires 18 semester hours of writing courses, 9 hours from English and 9 hours from Communication. 400-level writing courses in the English department may count both for the concentration and as elective for the English major or minor. Only one 300-level course may count for both the concentration and the English major or minor (as long as the student has already completed the 300-level literature course required for the College of Arts and Sciences core).

English Courses that May be Used to Fulfill the Requirements
