History Internships
For History Majors and Minors

Earn 3 credit hours working for a museum, a historic site, or an archive in the St. Louis area.

Work on exhibits or special projects in a museum, archives, library, or even on an archaeological site. You could also serve as an undergraduate research assistant for a History Professor.

We will work with you individually to place you in a site that matches your interests.

Register for History in Practice, History 496.30.
