The Lemay Development Corporation (LDC) is the economic development organization for Lemay. As a not-for-profit entity, the LDC strives to enhance the economic environment and quality of life for all who live and work within the Lemay Community. The LDC works with businesses, residents, developers, community partners and government officials and agencies to further its mission of preserving and advancing the Lemay Community by acting as the primary catalyst in the implementation of community and economic development initiatives. The opportunity to work directly with the experts in this field will be unmatched by other entry level positions.

LDC is looking for an intern to work side-by-side with the President and Executive Director. The primary responsibility of the intern is to assist in all aspects of on-going projects that facilitate the economic growth and development of the unincorporated area of St. Louis County known as Lemay. The skill set of the intern will be best utilized in obtaining this objective. LDC is looking for a student with an interest and understanding in any of the following: Real Estate Development, Community Planning, Marketing, Development, Grant Writing, and Public Policy. Attention to detail, the ability to multi-task and excellent communication skills is essential to this position. Working knowledge of Excel spreadsheets and Microsoft Word required with WordPress knowledge desired.

This opportunity would be the perfect way to complete an internship or a capstone requirement for your program. A possible stipend may become available based on the awarding of an upcoming grant. The position is part time and can begin as early as December but no later than mid-January. The internship will be a minimum of 8 weeks in length with work schedule flexible based on applicant’s class schedule. The intern should be prepared to work in a fast-paced team environment, and will finish the internship having gained broad experience in various aspects of community development.
