Volunteer Description for Summer 2016

Thank you for your interest in volunteering with PROMO, Missouri's statewide organization advocating for lesbian, gay, bisexual, and transgender (LGBT) equality through legislative action, electoral politics, grassroots organizing, and community education.

We recognize the power in volunteering, and we know our efforts would not be possible without your contribution. Thank you!

Goal
The Show Me Wellness Project kicks off Spring 2016 with an LGBTQ community Needs Assessment. This statewide survey will be administered at Pride Festivals across Missouri. Titled, Show Me YOU, this questionnaire is more than filling in circles and becoming just another statistic. Consider the statistic as part of the solution. We need the Missouri LGBTQ communities to represent themselves, perhaps for the first time, in this historic, statewide data collection effort. This questionnaire will inform our work in every county in Missouri.

Objectives
- Engage with LGBTQ Pride Festival Participants from across the state of Missouri to complete the Show Me YOU Questionnaire
- Participate in data collection process and participant recruitment for state-wide research project
- Explore the vast diversity of our LGBTQ population through conversation and questionnaire distribution
- Learn more about barriers facing a marginalized and underserved population
- Raise cultural awareness
- Network with LGBTQ community members and Pride Festivity participants
- Empower an underrepresented community to be represented in data collection
- Create a positive, enthusiastic, and welcoming space for participants to engage in questionnaire participation
