### Section 2

**Purpose**

As part of the study abroad pre-departure process, you completed a Study Abroad Course Approval Form on which you received preliminary approval of the courses that you planned to take abroad. The course approval form, however, is not a guarantee of course availability or enrollment at the host institution. If you were unable to register for a pre-approved course(s), you must obtain the appropriate approvals from within your academic unit at Saint Louis University.

This enrollment verification form confirms the courses in which you are officially registered at the host institution. The completion of this form assures that you maintain full-time enrollment, maintain eligibility for your SLU scholarships and financial aid, maintain your class standing and relevant course pre-requisites for registration purposes, and will ease the transcript articulation process once your grades are received at the conclusion of your program.

Please have the appropriate coordinator at the host institution email the form directly to the Office of International Services, goabroad@slu.edu, by the following deadlines:

- **Fall Semester:** September 15*
- **Spring Semester:** February 1*

*Students participating in programs with a later start date are requested to contact the Office of International Services to make alternate arrangements.

Enrollment Verification

I understand and acknowledge that:

✴ I am enrolled in the listed courses.
✴ I understand that it is my responsibility to complete a revised version of this form immediately if there are any changes to my registration.
✴ Grades for all courses while on SLU-approved exchange and study abroad programs will appear on a student’s transcript and factor into a student’s cumulative Saint Louis University grade point average.
✴ Saint Louis University students participating in fall/spring study abroad programs must enroll for the equivalent of a full-time course load while abroad (a minimum of 12 Saint Louis University credit hours per semester). For summer programs, there is no minimum or maximum credit load required, unless otherwise specified by your host institution or program.
✴ This form may be shared as proof of enrollment with the Office of Student Financial Service for any students receiving aid. Any students receiving aid who do not submit this form may be in jeopardy of losing their aid.
✴ This verification does not guarantee courses will transfer to Saint Louis University.
✴ Students should keep copies of all course syllabi in case any further review of course content is necessary for approval to fulfill degree requirements.
