FREE APPLICATION FOR FEDERAL STUDENT AID:
➢ Students wishing to apply for financial assistance must complete the Free Application for Federal Student Aid (FAFSA). Saint Louis University encourages all students to complete the FAFSA prior to March 1 of each academic year. The FAFSA may be completed online by visiting: www.fafsa.gov. Saint Louis University’s FAFSA school code is 002506. Upon receipt of the FAFSA, SLU will send out a financial aid award indicating a student’s eligibility. Visit finaid.slu.edu for new instructions regarding how to accept your financial aid package.
➢ According to the Department of Education: if you purposely give false or misleading information on your FAFSA, you may be fined up to $20,000, sent to prison, or both.

FINANCING OPTIONS:
➢ Bills will be mailed out for each semester. Fall bills will be mailed out in July with a due date of August 1, spring bills will be mailed out in December with a due date of January 2, and summer bills will be mailed in May with a due date of June 1. To view your online statement or make payments, please visit: finaid.slu.edu/payments for further information.
➢ Deferred Payment: Students whose employers reimburse tuition costs AFTER courses are completed may enroll in a deferred payment plan. Documentation from the employer indicating the reimbursement policy, eligibility to receive tuition benefits and the exact amount that will be reimbursed must be submitted BEFORE the start of each semester to the Office of Student Financial Services. After this is submitted, please contact the Office of Student Financial Services at 314.977.2350 to determine the remaining balance. If a student has a remaining balance, financial arrangements must be made on the remaining balance prior to the due date.
   o The documentation process must be repeated for each term this payment option is requested.
   o A 1% per month finance charge will be assessed on outstanding balances.
   o If students do not make financial arrangements prior to the due date, all course registrations are subject to cancellation.
   o A hold will be placed on official transcripts until all debt is paid in full.
   o The University will defer the reimbursable amount until the deferred payment deadline.
   o For more information please visit: http://www.slu.edu/school-for-professional-studies-home/tuition-scholarships-and-financial-aid/deferred-payment
➢ Please contact the Office of Student Financial Services for additional payment plan options or visit: finaid.slu.edu/payments.

REFUNDS:
➢ Students borrowing in excess of tuition will be sent a refund to their billing, local or permanent address. You may designate an account for an electronic refund. Log into mySLU. Under the “Student Tab” select “Payment Suite.” Within “Payment Suite,” select “E-refunds” then click on “Payment Profile”.

STUDENT LOANS:
➢ Students awarded a Federal Direct Loan or Perkins Loan must complete a Master Promissory Note and Entrance Counseling. Please visit finaid.slu.edu/loans for more information.
Continued from previous page:

- Students in need of additional funds outside of Federal Student Loans may wish to borrow from a Private source. For private/alternative loan lenders, please visit: finaid.slu.edu/loans
- The maximum amount of loan eligibility for an Independent Freshman Student (0-29 hours) is $9,500; Sophomore (30-59 hours) is $10,500; Junior/Senior (60+) is $12,500
- Students borrowing from the Direct Loan Program must be enrolled at least half-time (6 hours) within a given semester (Fall/Spring/Summer). Because the Fall and Spring semesters have terms within the semester (i.e. Fall 1, Fall 2), a student enrolled in one 3-hour class for Fall 1 and one 3-hour class in Fall 2 would be considered half-time since the student is enrolled for 6 hours within the given semester. The summer semester does not have terms; therefore, a student must be enrolled for 6-hours within the summer semester to be eligible for Federal Aid. Students below half-time could take out a private loan based on credit-worthiness.
