Speech Summer Camps 2013
The Speech-Language and Hearing Clinic at Saint Louis University

Saint Louis University is offering an intensive, individualized 2-week summer camp designed specifically for 3 to 6 year-old children diagnosed with Childhood Apraxia of Speech or severe phonological disorders.

All participants will receive small group (not to exceed 8) therapy that incorporates best practices in assessment and treatment and a variety of supports to assist the child in achieving functional communication skills.

**Session I: June 17-27 (Monday-Thursday: 9:30-11:30 AM)**
*Deadline for registration: June 10, 2013   Enrollment is limited*

**Session II: July 8-18 (Monday-Thursday: 9:30-11:30 AM)**
*Deadline for registration: July 1, 2013   Enrollment is limited*

$250 per session

Participants may enroll in both sessions

Childhood Apraxia Summer Camp will take place at: Saint Louis University’s Speech Language-Hearing Clinic in McGannon Hall- Suite 32.

Please contact Kellie Dalton or Angela Adrian at 314-977-3365 for enrollment
