Student Personnel Administration
Certificate Program *(online)*

The Department of Education offers an *18-hour online* graduate certificate program in Student Personnel Administration. The Certificate Program is designed for professionals aspiring to student services positions within higher education and those who seek to learn more about the field of student development and student services in the college setting. The program provides knowledge and professional development in the areas of student personnel administration, college student demographics and trends, the college environment, disability, legal and ethical issues, and college student development. Participants in the program learn how to help with the management of student services programs in higher education, lead and assist with such programs, and provide effective services to college students.

The online program offers convenience and flexibility. Classes may be applied to the Saint Louis University Masters in Student Personnel Administration.

**Courses: (18 credit hours)**
EDH 535  Student Development Theory  
EDH 547  Legal and Ethical Issues in Student Personnel  
EDH 560  Student Personnel Administration  
EDH 564  The Student in Higher Education  
EDH 571  Internship in Student Personnel  
EDH 605  Disability in Higher Education and Society  

Students must have completed at least six hours in the certificate program before applying for an internship. Internships must be at 2- or 4-year colleges or universities or regional/extended campuses. With advisor approval this requirement can be substituted with one additional elective course.

**Electives:** EDH 565 Intervention Skills in Higher Education or any course as approved by certificate coordinator.
