You may access the most up-to-date listing of LabCorp locations for specimen collection through the Find a Lab feature at www.LabCorp.com or by dialing 888-LabCorp (888-522-2677).

To use the online lab locator, visit www.LabCorp.com. In the lower left of the home page, you can enter your city and state or ZIP code to find a lab for specimen collection in your area. The online lab locator provides a map and driving directions to LabCorp locations, as well as available services and hours of operation.

To locate a LabCorp specimen collection site using the telephone, dial 888-LabCorp (888-522-2677) and press 1 to access the automated lab locator. You can choose to hear a list of LabCorp facilities available for routine clinical testing or for occupational drug screening. Simply enter your five-digit ZIP code to find the locations in your area.

Thank you for choosing LabCorp.
