How Do I Make My Blackboard Learn Course Available to My Students?

All Blackboard Learn courses are unavailable by default. You can tell the course is unavailable because the word *(unavailable)* will appear to the right of the course title.

**Step 1:**

Go to the Home Tab page and the My Courses list of your courses. Click on the title of the course you want to make available. The entry page will appear.

**Step 2:**

Go to the Control Panel located on the lower left hand side of the screen. Click the Customization link. A drop down menu will appear.

Step 3:

On the drop down menu, click the Properties link. The Properties page will open on the right side of the screen.

Step 4:

On the Properties page scroll down to section 2: Set Availability. Click the button to the left of the word Yes, then click the Submit button on the right had side of the screen.
