Spring 2015

Newsletter of
The Office of Faculty Affairs and Professional Development

Faculty Assembly Report

Faculty Assembly Executive Committee members have been actively seeking to connect with SOM faculty members to correspond on current events, projects and faculty concerns. To read more about their efforts and findings click here.

SLUCare Participant Compensation Plan

The SLUCare compensation plan was modified in October 2014 to better define participation in the incentive and productivity pool. Dr. Carole Vogler, chair of the SLUCare compensation committee, held a faculty development program to provide information about the compensation plan changes. This session was recorded in Tegrity and can viewed here. The compensation plan can be found here.

Financing the Academic Mission: How Academic Medical Centers Work

There is a confluence of major external forces which will greatly impact the “business” of academic medicine over the next 10 years. The AAMC sponsored a webinar aimed at furthering the understanding of the challenges facing the academic medical enterprise.

Office of Faculty Affairs and Professional Development

Maximally Invasive Teaching

Debra DaRosa, PhD
Professor Emeritus of Surgery and Medical Education
Northwestern University Feinberg School of Medicine

Wednesday, May 6, 2015
7:30 am to 8:30 am
LRC Auditorium A

- Bridge the gap between what we know about the brain and how it relates to learning theory
- Translate the above into instructional strategies, conditions, and environments that enhance learning.

Dr. DaRosa has no relevant financial relationships to disclose.
The following planning committee members have indicated that they have nothing relevant to disclose: Dr. Angela Sharley.

ACCREDITATION: Saint Louis University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
CONTINUING MEDICAL EDUCATION CREDITS: Saint Louis University School of Medicine designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credits™.
Physicians should only claim credit commensurate with the extent of their participation in the activity.
Getting Promoted At SLU
School of Medicine

Monday, June 22, 2015
Noon – 1:00 pm
LRC 110
Presented by:
Dr. Stephen J. Barenkamp
Department of Pediatrics

Learning Objectives:
• Provide an overview of the Medical School Promotion Process
• Review promotion criteria for tenure-track and non tenure-track faculty
• Suggest strategies to strengthen one’s application for promotion
