CONTINUING EDUCATION: Saint Louis University School of Medicine designates this live activity for a maximum of 16.75 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

ACCREDITATION: Saint Louis University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The education the participant gains through our CME activities does not satisfy training requirements to perform the surgery.

EDUCATIONAL OBJECTIVES: The activity is designed to develop competence in performing a number of cosmetic surgical procedures. The participants will:

- Review and Identify significant surgical anatomy for, and perform upper and lower blepharoplasty surgery
- Discuss and evaluate non-surgical adjunctive treatments to include laser surgery, fillers and chemical denervation
- Demonstrate small incision and SMAS facelift techniques after reviewing procedures with experts in the field
- Perform surgical approach and procedures for cheek and chin implants; discuss indications and techniques
- Discuss indications for and complications of above procedures

REGISTRATION DETAILS & COURSE FEES

TUITION FEES:

Physicians: \$2495

Residents/Fellows/USA Military: \$1395

REGISTRATION: For Course Schedule, Accommodations, Course Brochures and to Register - type the link below into your internet browser: <http://pa.slu.edu>

Then Select: Continuing Medical Education (Hands-On Cadaver Workshops)

Then Select: 2014 Workshop Schedule

Then Select: The course of interest

This workshop will be held at the PASE Learning Center located in Young Hall, 3839 Lindell Boulevard, Saint Louis, MO 63108
