Therapist
Adapt of Missouri
St. Louis, MO

Job Summary:
Therapist – is responsible for providing face to face therapy (both individual and group) services, screening, and crisis phone/face-to-face interventions when necessary. Therapy services take place in both the clients’ homes and in the Adapt office. The Therapist also completes two intake assessments per month and reviews brief evaluations for the case management program as part of the job responsibilities. Therapist will provide in-service training for all agency divisions; provide mediation services (when/if trained) and perform other duties as assigned by the supervisor. The hours of employment may vary depending on the needs of the clients, including possible evenings and weekends. This position involves 24 hour on-call crisis intervention activities via telephone on a rotating basis.

Education:
Master’s degree in psychology, counseling, social work or related mental health field in addition to a License or Provisional License in that particular field

Experience:
Two years of experience in mental health field and/or experience working with adults with chronic mental illnesses.

Licensure, Certification and/or Registration:
License or Provisional License, in the state of Missouri, in Counseling, Social Work, or a closely related field; must obtain and maintain certification in CPR, First Aid, CPI and Medication Level I Aide.

Requirements:
Must have an automobile, a valid Missouri Class E driver’s license with a clean driving record and current automobile insurance with required coverage limits. Meet clients in a variety of neighborhoods in St. Louis city and county, as well at the Adapt of Missouri office.
