HOW DO I PARTICIPATE IN VITALITY’S PARTNER HEALTH CLUB PROGRAM?

To participate in Vitality’s Partnered Health Club Program your Vitality account must be activated by completing the online Health Risk Assessment (HRA). The HRA must be updated every Vitality year to re-activate your account for the subsequent year and to become eligible for the benefits (Vitality Points for verified workouts and monthly subsidies). You must also register your current health club membership and provide your bank account information for electronic funds transfer (EFT) purposes.

Before you begin the registration process, please make sure you have your Health Club Member ID available (University Banner # for employees or the Health Club Member ID Number assigned upon membership registration for participating spouses). Also, have your bank account number and routing number available.

HOW TO REGISTER:

2. From the home page, click the “Get Healthy” tab >> “Fitness and Exercise [Learn More]”.
3. Click “Partner Health Clubs [Learn More]”.
4. Click “Find a Health Club”.
5. Enter the Simon Recreation Center’s zip code (63108) or address (3639 Laclede Avenue, St. Louis, MO) in the appropriate search field and click “Search”.
6. Locate the Simon Recreation Center within the search results and click “Earn Points” for this particular Health Club.
7. Member Enrollment: Please use your University Banner ID (including the zeros) for your Health Club Member ID. Participating spouses will use the Health Club Member ID assigned to them upon membership registration (including the ones). Your Enrollment Date is the date you initially registered for your membership to the Simon Recreation Center. If you do not know the exact date, please use a date you believe to be most accurate or contact the Simon Recreation Center’s Member Services Coordinator.

Once you have agreed to the Vitality’s terms, click “Submit”.
8. Partnered Health Clubs Subsidies: Please enter your appropriate Banking Information and click “Submit”.

If you run into any problems during the registration process, please contact Todd Robben (Member Services Coordinator for Campus Recreation) at 314.977.3968 or robbentw@slu.edu.
