INTERNATIONAL STUDENTS

If you attended Saint Louis University on a student visa, here are some important things to remember:

ATTEND THE GRADUATION RECEPTION FOR INTERNATIONAL STUDENTS!
The office of International Services will host a reception for graduating students, along with their family and friends. Look for the invitation coming in the spring of 2016!

60 DAY GRACE PERIOD
After graduation, F-1 students may stay in the U.S. for up to 60 days to visit friends, sell furniture, close your apartment rental, or make your travel plans. Once you leave you are not allowed to re-enter on an F-1 visa unless you have applied for OPT and have received either a receipt notice or an EAD (Employment Authorization Document.) J-1 students may stay in the US for up to 30 days after completion of program, and are allowed to reenter the US only if you have a DS-2019 properly extended for Academic Training.

ON-CAMPUS EMPLOYMENT
Both F-1 and J-1 students must stop working on or off campus upon completion of programs/date of graduation.

OPT APPLICATION DEADLINE
If you are interested in remaining in the U.S. for up to one year under Optional Practical Training, contact the office of International Services. You may apply 90 days prior to graduation or up to 60 days after graduation. If you leave the U.S. without applying, you will no longer be eligible.

TRAVELING AFTER GRADUATION
Many students plan trips with their families to celebrate graduating. If you have any questions about what you need to travel and re-enter the U.S., contact the office of International Services. If you are going on a cruise, you must determine the legal requirements for admission into that country for a citizen of your country. These requirements can usually be found on the website of that country’s Embassy in the U.S.

After graduation, you may not re-enter the U.S. in F1 status unless you have applied for OPT and have received either a receipt notice or an EAD (Employment Authorization Document.) If you do not apply for OPT and leave, if only for a short vacation, you are no longer eligible for OPT.

**Your education is one of your greatest investments. The Office of Student Financial Services is committed to assisting you during this transition by providing you with counseling and resources. Counselors are available Monday–Friday, and no appointment is required. Stop by when it is convenient for you!**

**FREQUENTLY ASKED QUESTIONS:**

**HAVE I PAID MY BILL IN FULL?**
Check the payment suite under the "tools" tab within mySLU to determine if your account is current. Diplomas are only given to graduates with balances paid in full.

**HOW MUCH HAVE I BORROWED IN STUDENT LOANS AND WHEN DO I BEGIN REPAYMENT?**
The National Student Loan Data System is the U.S. Department of Education's central database for student aid. Visit www.nslds.ed.gov to determine/verify the amount of federal aid you have borrowed. If you also have a private/alternative loan, please contact your lender for the total amount borrowed. Most loans go into repayment approximately six months after graduation.

**I AM GOING TO CONTINUE MY EDUCATION. WILL I HAVE TO PAY BACK MY UNDERGRADUATE LOANS IMMEDIATELY?**
Students enrolled at least half-time in a degree-seeking program qualify for an in-school deferment; therefore, payment while in school would not be required. Contact your lender for more details.

**WHERE ARE MY STUDENT LOANS?**
Student loans are serviced by your lender/servicer. If you need assistance determining your lender or servicer, please contact the Office of Student Financial Services.

**SHOULD I CONSOLIDATE MY STUDENT LOANS?**
**WHAT TYPE OF REPAYMENT PLANS ARE AVAILABLE FOR MY STUDENT LOANS?**
Student Financial Services will offer Loan Exit Workshops on March 29 to answer all your questions about loan repayment and consolidation. If a workshop is not convenient for you, visit the Office of Student Financial Services for a one-on-one counseling session. Stay tuned for more information in your SLU email.

**DO I HAVE TO COMPLETE LOAN EXIT COUNSELING?**
Yes. Students who have borrowed a Federal Direct loan and/or Perkins loan are required to complete loan exit counseling. Perkins borrowers will be notified via email by April to complete the on-line loan exit counseling. This is required to receive your diploma.

Federal Direct loan borrowers will need to complete exit counseling online at Studentloans.gov before the end of the spring semester or at a Loan Exit Counseling Workshops hosted by Student Financial Services in March. Students are always welcome to contact their Student Financial Services counselor for questions regarding their loans or any piece of financial aid.
