The Academic Advisors on the Medical Center Campus are ready to assist you throughout your experience at Saint Louis University. This is your Academic Advising syllabus, which identifies learning outcomes, documents to be brought to each meeting, discussion topics and additional information as needed. It is expected that you come prepared and ready to actively engage in discussion. Academic Advising is more than just reviewing your curriculum; your meetings with your academic advisor will educate you on how to develop tools and skills to become independent, responsible and successful citizens while you navigate through your academic experience.

REMEMBER, your Academic Advisor is here to assist you with your transition, but this is YOUR education and YOU are ultimately responsible for your own SUCCESS!
