Exercise: First Conjugation Deponent, Past and Future (Active) Participles

Practice these items until you can produce the meanings *in either direction effortlessly and instantaneously*. Recommendation: To make the best use of your time, do not just mechanically write down the list of words, but speak them aloud and try to think of a visual representation of the meaning as you write. Test yourself by covering the other columns or by folding the paper so that only a single column is showing as you try to understand each item in the other language.

1.	having admired	admîrâtus	about to admire	admîrâtûrus
2.	having embraced	amplexâtus	about to embrace	amplexâtûrus
3.	having bewailed		about to bewail
