

## Comprehensive Verb Practice (Without Irregulars or Deponents)

This exercise tests your knowledge of almost all verb-forms, including verbals, using some standard paradigm-words. If you are slow to get the meanings of these forms, you should practice writing out more verb-paradigms until you can interpret these words *instantaneously* and *effortlessly*.

1 audītam	55 capimur	109 amārēs	163 amāre	217 cēpissēmus
