LLC Winter Hours: The LLC will be closed from Tuesday, December 14, at 5:00 pm until January 18 at 8:00 am. Please return all outstanding items so a complete inventory can be taken over the break. Mr. Dan Nickolai will be available by appointment throughout the break to discuss any projects you may have envisioned for the upcoming semester.

France-Amérique: The Latest Edition of France-Amérique is now available online here: http://tiny.cc/f0dug

Yabla: Thank you everyone for using the Yabla video service. Our trial period has now expired. Please send any feedback you may have to Mr. Dan Nickolai to help determine whether or not this should be a permanent resource.

LLC Staff: Please take a moment to bid adieu to our senior student worker, Aileen Curtin. She will be graduating in December and moving on to greener pastures. Aileen has been a wonderful asset to the LLC and has been repeatedly recognized with the coveted LLC employee of the month award.

Kudos

- During the week of Nov. 22, Dr. McBride was in Hermosillo, Mexico, at the University of Sonora, collecting data for her study entitled "Measuring the Effectiveness of Pronunciation Training and Perceptions of Foreign Accent." This research was funded by the Mellon grant, as well as supported by the Summer Research grant.
