Kudos

Dr. Yelena Belyaeva-Stranden presented a paper "Miracle-working icons of the Mother of God in Russian Orthodoxy" on January 4th at the 2013 Annual conference of the American Association of East European Languages in Boston.

The ESL Program is pleased to share the following news:
Dr. Larry Schmidt and Dr. Diana Pascoe will be presenting at the ACS Athens: Learning Differences Conference, April 18 - 20, as institute leaders and workshop presenters.
This is the website for the ACS Athens: Learning Differences Conference.
http://www.acs.gr/ldc-main-2013
where you can see a description of their presentations.

Two of our Russian double-majors, Michael Meyer (Honors BS Biology) and Daniel Pike (Honors BS Biochemistry) have been awarded a grant to work in a research lab at Moscow State University this summer. The program: Biotechnology and Russian: A Summer Science and Language Program for Undergraduates at Moscow State University, sponsored by the George Washington University School of Medicine and Health Sciences, made just five awards to undergraduates from around the country.
