Chinese Language Partner kick-off Tea Party
Over 50 students and Instructors stepped away from their busy schedule on Friday, Jan. 24th, to take part in “The Language Partner Kick-off Tea Party” at CGC, Multipurpose room 122. Students from the Chinese Division enjoyed having the opportunity to practice their Chinese with the Chinese students at SLU and shared authentic Chinese Tea and snacks. The American students were challenged and excited by only speaking Chinese. Some students expressed their excitement about how much they have learned by taking Chinese at SLU. But this was a preliminary icebreaking event. Afterward, the Chinese Division introduced partners to each other and they will meet on campus each week for the duration of the semester. The chance to interact with native speakers made it a day to truly remember.

Meetings

The remaining department meetings this semester will be held on the following Thursdays, 3:35-5:00 p.m., in Ritter Hall 320.
