

**All are invited to a poster session showcasing
Behavioral Science students' work!**

**The Health Promotion Program Planning (BSH 510) class will be hosting
2 poster sessions highlighting health education programs
developed as part of this course.**

**The students have been working hard on these programs
and are excited to share their hard work and creativity with you all!**

Monday, November 16, 2009

The first session will run from 9:00 to 10:00a (9 students)

The second session will run from 10:30 - 11:30a (9 students)

Stop by room 1503 at any time during the 2 sessions!

**We will have some coffee and light snacks
available throughout the morning.**
