NOTE: After declaring a computer science major, students must achieve a minimum GPA of 2.00 in computer science courses by the conclusion of their second year as a major and maintain such a GPA at the conclusion of each semester thereafter. Furthermore, students should require at most two attempts to successfully complete any computer science courses required for the major (where an unsuccessful attempt is considered a "D" or "F" for courses numbered 2100 and lower, and an "F" in higher-level courses).

Minor:

To be certified for graduation, a student is required to...

- Complete no less than 120 credits, including the CSCI major;
- Have at least a 2.0 cumulative GPA, a 2.0 CSCI GPA, and a 2.0 GPA in the minor or 2nd major;
- Complete 30 of the final 36 cr. at SLU;
- Submit the on-line application for graduation at the beginning of the last semester of study.
