

Tracking Our Decisions and Progress: *Magis Operational Excellence Program*

Academic Reinvention: Program Disestablishments & Academic Unit Re-Alignment

Academic Reinvention is a component of the MOEP that focuses on streamlining curriculum offerings (degree programs, majors, concentrations/tracks, certificates) to reduce low-enrolled courses/programs and re-focus faculty resources on excellence throughout our academic portfolio. Also included are major organizational changes designed to best situate academic programs for success.

Disestablished Undergraduate Majors

| Title | Academic Unit | # of Current Students | Additional Notes |
