Registering for NIAID GCP Training
New Users

Step 1: Log into your SLU Google account through MySLU (Google Drive will work) or a G-mail account.

Open a new tab and go to https://gcplearningcenter.niaid.nih.gov or click HERE.

You must access this training from the same Internet browser where you are logged in to your Google account (or another G-mail account). To do this, log into your MySLU account, select a Google app, open a new tab and access the address above.

Click the blue “Login” button.
STEP 2:
Under the Account Type menu, select “Social Login/OpenID”.

Remember: You must be logged into a Google account (SLU or other) to access this course (unless you have been given other access instructions or otherwise have permissions to access).
STEP 3:
On the new drop down menu that appears, select “Google”.
Then click “Continue”.

Revised November 8, 2017
STEP 4: When prompted, click “Allow”.
STEP 5:

Begin your registration by entering your first and last name.
STEP 6: Continue to create your profile as prompted. When your profile is completed you will be taken to the main menu to start the GCP course.

If you have any questions, please contact the IRB at (314) 977-7744 or irb@slu.edu.

Answer the questions honestly. You do not have to work for the NIAID to complete this course, it is a free course open to the public.
