Saint Louis University Scholarship Leave of Absence Policy

If a scholarship student cannot maintain these scholarship renewal requirements as detailed above, the scholarship student must submit this form, prior to the start of the semester in which scholarship policy noncompliance is contemplated. This form petitions for a Scholarship Leave of Absence which requests that we consider a student’s special circumstances that have caused his/her inability to comply with the renewal eligibility scholarship policy. If approved, this Scholarship Leave of Absence preserves the student’s remaining, unused semesters of scholarship eligibility for his/her anticipated return to Saint Louis University as a full-time, undergraduate (non-Professional Studies) scholarship student. A Scholarship Leave of Absence cannot exceed one academic year in length. A scholarship leave of absence request that has not been approved before a student exits the University may not be approved.

To reactivate scholarship eligibility after receiving approval for a Scholarship Leave of Absence, students must notify the Office of Student Financial Services by the first day of the term they expect to return.

Please Note: Students leaving SLU to attend another University (other than an approved study abroad program) are not eligible. Also, if a Scholarship Leave of Absence is not granted to a scholarship student prior to leaving the University or enrolling as other than a full-time, fall/spring undergraduate (non-Professional Studies) student, the student’s Saint Louis University Scholarship eligibility will terminate without appeal. A scholarship student who submits a Scholarship Leave of Absence Request will be notified timely of its result.
