2008-2009 FACHEX GUIDELINES FACHEX Applicants to Saint Louis University

If you are applying for the FACHEX Tuition Award at Saint Louis University for the 2008-2009 academic school year, please be mindful of the following:

1. Application to Saint Louis University is required.
 - a. All admission requirements and admittance to the University for the academic year in which you wish to receive the award is required.
 - b. FACHEX eligibility, as certified by your "home" school (where the student's parent is employed), does not guarantee admission to Saint Louis University.
 - c. Not all FACHEX-eligible students who are admitted to the University will receive the FACHEX award.
2. Competition for FACHEX awards is competitive and awards are limited.
 - a. The FACHEX award covers the cost of fall and spring tuition at Saint Louis University.
 - b. FACHEX recipients are assessed a per credit hour processing fee. The fee for 2008-2009 is \$50 per credit hour or a reduced rate of \$25 per credit hour for a student qualifying for the Federal Pell Grant.
 - c. The cost of books, room, board and fees is the financial responsibility of each student.
 - d. The University reserves the right to modify specific terms of the Award over time.
3. If you are selected for a FACHEX award, this award will replace any institutional scholarships. Students are also encouraged to complete the 2008-2009 Free Application for Federal Student Aid (FAFSA) prior to March 1 of each academic year for any need-based aid consideration. Other forms of awarded federal financial aid may help to pay for costs other than tuition, as long as your total financial aid does not exceed your total cost of attendance.
4. Starting with your incoming/freshman year, the FACHEX Tuition Award continues for a maximum of eight consecutive fall and spring semesters or until the conferral of a bachelor's degree, whichever occurs first. Summer semester course work is not included.
5. Renewability:
 - a. Renewal is contingent upon the student maintaining satisfactory academic progress and a 3.0 cumulative Grade Point Average (GPA) at Saint Louis University.
 - b. Renewal is also contingent upon the student's parent remaining eligible for tuition remission on the home campus where the parent is employed.
6. The FACHEX Tuition Award may be used for studying abroad at the Saint Louis University campus in Madrid, Spain. It may not be applied to other study abroad travel.
