University Withdraw and Enrollment Changes

When a student must withdraw after registering for any semester or session, whether the withdrawal is voluntary, requested by the University, or for other reasons, the following regulations apply:

1) Request or notification of the withdrawal must be approved on an official withdrawal form available in the Dean’s Office.
2) Failure to file the signed permit in the Dean’s office within one week of the last attendance in class constitutes and unauthorized withdrawal.
3) Cancellation may be approved upon the recommendation of the Dean and approval of the Associate Vice President, and may entitle the student to a refund of tuition.
4) Residence hall charges will be refunded in accordance with the residence contract.
5) Withdrawal during summer and special sessions will be governed by regulations made available online on the appropriate Summer Sessions website.

If a student withdraws from the University or drops classes within an enrollment period, please keep the following in mind:

1) Consult your school/program’s policies and practices regarding grades when withdrawing or dropping classes. If you leave the University and do not formally withdraw, you will be assigned a grade of “AF” (failure).
2) Withdraw or dropping classes does not eliminate your financial obligation to the University. You are still responsible for any charges owed to the University at the time you withdraw or drop classes, based on the University’s tuition and housing refund policies.
3) There are specific federal, state and University withdrawal/drop policies regarding tuition and fees, housing charges, refunds to scholarship/financial aid programs, and repayments, which result from withdrawal from enrollment. Consult the Office of Student Financial services for all particulars.
4) When withdrawing or dropping classes, there are two situations, which may require an immediate repayment of scholarship/financial aid funds:
   a) If your University charges are reduced because of withdrawal or dropping classes, and it creates a credit balance in your student account, these funds may be used to repay your scholarship/financial aid awarded programs.
   b) If you withdraw completely from the University, you are no longer eligible to receive any scholarship/financial aid payments from that date forward. Federal Work-Study money earned before withdrawal will be paid. Students may not work on Federal Work-Study after withdrawing from the University.
5) Information regarding the federal/state and University regulations for calculating scholarship/financial aid refunds and repayments and the order of programs to which we restore aid is
6) Students receiving a University funded merit-based Scholarship program must request a Scholarship Leave of Absence before withdrawal from the University. Failure to obtain an approved Scholarship Leave of Absence before withdrawing from the University terminates the student’s renewal scholarship eligibility.
