The School of Education advances the University's mission by its research and service to family, school, and community.

The School of Education has developed programs that meet Missouri State requirements for teacher certification in Early Childhood, Early Childhood Special Education, Elementary, Middle (Language Arts, Math, Science and Social Studies), Secondary (Biology, English, Math, General Science, and Social Studies), Foreign Language K-12, and Elementary with Mild/Moderate Disabilities, K-12. Course offerings provide students with classroom and field-based experiences essential in the learning process. Programs are accredited by both the Missouri Department of Elementary and Secondary Education and NCATE. Successful completion of a 4-year program portfolio is required for certification. Background checks are required prior to field-based experiences.
