#### Enrollment Verification

**Section 1: Student**

- **Student Name**: 
- **Student ID**: 
- **Student Email**: 
- **Student Phone #**: 

**Study Abroad Program**: 

**Section 2: Purpose**

As part of the study abroad pre-departure process, you completed a Study Abroad Course Approval Form on which you received preliminary approval of the courses that you planned to take abroad. The course approval form, however, is not a guarantee of course availability or enrollment at the host institution. If you were unable to register for a pre-approved course(s), you must obtain the appropriate approvals from within your academic unit at Saint Louis University.

This enrollment verification form confirms the courses in which you are officially registered at the host institution. The completion of this form assures that you maintain full-time enrollment, maintain eligibility for your SLU scholarships and financial aid, maintain your class standing and relevant course pre-requisites for registration purposes, and will ease the transcript articulation process once your grades are received at the conclusion of your program.

Please have the appropriate coordinator at the host institution email the form directly to the Office of International Services, goabroad@slu.edu, by the following deadlines:

- **Fall Semester**: September 15*
- **Spring Semester**: February 1*

*Students participating in programs with a later start date are requested to contact the Office of International Services to make alternate arrangements.
