Saint Louis University - School of Medicine  
Office of Diversity, Equity, and Inclusion  
SUMMER SCHOLARS  
2020 Application  
Program Dates - June 1 - June 19, 2020

Saint Louis University School of Medicine has hosted the Summer Scholars Program for over 10 years.

- This program is designed to further expose interested youth to medicine and healthcare.  
- During the three week program students meet with a variety of healthcare professionals. Some of the specialties may include: family medicine, orthopedics, emergency medicine, surgery, pediatrics, transplant surgery, internal general medicine, pathology, dieticians and nursing.  
- The program is coordinated with the assistance of first year medical students. In addition to career exploration, students participate in a cadaver demonstration, take a tour of Saint Louis University’s campus, complete a research project, participate in a community service project, physician shadowing (11th/12th graders only) and have several hours of ACT preparation.

PROGRAM REQUIREMENTS
- Students entering grades 9-12 during the 2020-2021 academic year  
- Minimum GPA 2.5  
- Must be able to attend all three weeks of the program  
- Parent/legal guardian and student must attend the orientation  
- Only students interested in pursuing a career in healthcare will be considered for this program

APPLICATION REQUIREMENTS
- Completed application (Only completed applications will be considered)  
- Typed 200-500 word double spaced essay that explains your personal interest in the medical profession (Please attach to your application)
