St. Margaret of Scotland is a preschool through 8th grade Catholic elementary school within walking distance of Saint Louis University’s Medical Campus. An on-site art teaching assistant would work with the classroom teacher and our Art@SMOS program to teach art lessons to students in grades kindergarten through 8th grade. The schedule is flexible within the hours of 8:00am to 3:00pm and any day of the week. Likewise the choice of style of art lesson is also flexible.
