LOOKING FOR A CAREER IN THE ART WORLD?

INFORMATION SESSION
@ SAINT LOUIS UNIVERSITY MADRID
Tuesday 13 February 2018 • 1.45-2.30
Room PRH6

Join us to learn about careers available in the global art market today and how the postgraduate courses taught by Sotheby’s Institute of Art could help those interested in working in this competitive field.

Sotheby’s Institute of Art has been educating generations of art world professionals since 1969. With campuses in London, New York and Los Angeles our courses uniquely integrate art historical scholarship, art connoisseurship and market expertise.

The Institute’s study pathways include Master’s degrees, semester courses, summer study and online courses specialising in Art Business, Contemporary Art, Fine and Decorative Art & Design, and Asian Art.

Courses taught in London are validated by the University of Manchester (UK).
