SAINT LOUIS UNIVERSITY | 1
The applicant should complete the Application for Freshman Admission, Section I of the Secondary School Report Form and the application essay. The Secondary School Report Form should then be given to the high school guidance counselor for completion.

When finished completing the Secondary School Report Form, the high school guidance counselor should be instructed to send the completed form and the applicant’s official high school transcript directly to the Admission Office.

Applicants who are not graduates of a high school or who are homeschooled must also submit an official copy of their GED or HiSET certificate or transcripts from an accredited home-schooling program and official ACT or SAT test scores.

RÉSUMÉS AND LETTERS OF RECOMMENDATION

In general, résumés and letters of recommendation are not required of applicants to the University. However, résumés and letters of recommendation are highly recommended for scholarship consideration and are required for any student applying for the Presidential Scholarship, the Martin Luther King Jr. Scholarship, University Honors, Medical Scholars and Pre-law Scholars.

ADMISSION INTERVIEW

While not required, an admission interview is recommended of all applicants.

ACT AND SAT TEST SCORES

Saint Louis University accepts both ACT and SAT test scores. Test scores are required for all high school graduates, applicants having graduated from high school within five years of the date of intended enrollment and home-schooled/GED/HiSET applicants.

Test scores must be reported electronically by the testing company. In requesting this information, please use the appropriate codes for Saint Louis University: 2352 for the ACT and 6629 for the SAT.

The University will evaluate only an applicant’s highest overall score from any one test date. There is no penalty for retaking either the ACT or SAT, and applicants may submit as many individual test scores as deemed necessary. Applicants may not combine sub-scores from different test dates.

Dec. test scores from the applicant’s senior year are the last that will be taken into account for scholarship consideration.

THE ACT WRITING SECTION

Saint Louis University does not require that ACT test-takers sit for the optional writing section of the ACT. If submitted, however, the optional writing section of the ACT may be evaluated as a writing sample.

THE SAT WRITING SECTION

SAT test-takers are required to sit for the SAT writing section as a mandatory part of the test. The SAT writing section is not scored numerically by the University but may be evaluated as a writing sample. For this reason, the University still considers the SAT on a 1600-point scale (math and critical reading) for admission and scholarship purposes.
Admission Policy

APPLICANT REVIEW

Once the Office of Admission has received all required admission information, the applicant's file is reviewed to determine eligibility for admission to the University. Admission decisions are made on a continuous or “rolling” basis beginning Nov. 1, 2016. Please note that all Occupational Therapy and Physical Therapy applications are reviewed in Jan. and are not reviewed on a rolling basis.

Students interested in Physical Therapy and Occupational Therapy must submit the completed Application for Freshman Admission and indicate Physical Therapy or Occupational Therapy as their major by Dec. 1, 2015 for consideration into these highly-selective programs. Notifications for the Physical Therapy and Occupational Therapy programs will be sent by Feb. 1, 2016.

Solid academic performance in college preparatory course work is a primary concern in reviewing a freshman applicant's file. College admission test scores (ACT or SAT) are used as an additional indicator of the student's ability to meet the academic rigors of Saint Louis University and are used as qualifiers for certain Saint Louis University scholarship programs.

To be considered for admission to any Saint Louis University undergraduate program, the applicant must be a graduate of an accredited high school or must have an acceptable score on the General Education Development (GED) or HiSET test.

PROBATIONARY ADMISSION

Freshman applicants not meeting admission requirements for the fall semester may be offered admission through the University's Billiken Bridge to Success Program. If offered this admission option, students must enroll in and successfully complete a three-week summer program prior to the fall semester. Other applicants may be offered admission on the condition that they enroll in certain prescribed courses during their first semester at the University.

RECOMMENDED HIGH SCHOOL COURSEWORK

Students are strongly encouraged to present five academic courses for each of the four years of high school. These academic courses should include the following:

- 4 years of English
- 4 years of Mathematics
- 3 years of Foreign Language
- 3 years of Natural Sciences
- 3 years of Social Sciences
- 3 years of Academic Electives

In addition to the recommended general courses listed, academic programs within the Doisy College of Health Sciences require high school natural sciences courses in biology and chemistry. High school physics is strongly recommended for Physical Therapy students.

HOME-SCHOOLED STUDENTS

Saint Louis University welcomes admission applications from home-schooled students. Home-schooled applicants must submit all secondary-level transcripts and official ACT or SAT test scores; if transcripts from an accredited home-schooling program are not available, then an official GED or HiSET certificate copy must be submitted. Home-schooled students are eligible for scholarship consideration; please refer to “Scholarship Policy” for more information.
Scholarship Policy

Saint Louis University offers a variety of merit-based scholarships. To be considered for any of these scholarships, the student must be admitted to the University as a full-time undergraduate and meet the specific scholarship program criteria.

PRIORITY DEADLINE AND SCHOLARSHIP CONSIDERATION

Dec. 1, 2015, is the priority deadline for Saint Louis University scholarship consideration. To be considered for University scholarships, the student’s admission packet, including the completed Application for Freshman Admission, essay, high school transcript and ACT or SAT test scores should be submitted by Dec. 1, 2015. Completed applications submitted by this date will automatically be given consideration for a range of SLU’s merit-based scholarships.

SCHOLARSHIPS WHICH REQUIRE SEPARATE APPLICATIONS

Students wishing to be considered for the Presidential Scholarship and/or the Martin Luther King Jr. Scholarship must also submit additional scholarship applications by the appropriate deadlines. Please refer to the admission timeline for more information.

AWARDING OF SCHOLARSHIPS

New freshman applicants may receive only one Saint Louis University merit-based scholarship. University merit-based scholarships cannot be combined with one another but do not preclude students from receiving other types of financial aid or additional scholarships from other sources.

Students who apply for the Presidential Scholarship and/or Martin Luther King Jr. Scholarship should do so under the assumption that, if awarded, either scholarship may replace any offer for merit-based scholarship previously made by the University. Eligible students are welcome to apply for both of these scholarships but should remember that only one merit-based scholarship can be awarded by the University.

Please note that the University reserves the right to change, increase, reduce or cancel Saint Louis University scholarship programs at any time.

SCHOLARSHIP RENEWAL POLICY

Saint Louis University scholarship programs are renewable contingent upon a student’s:

- Continuous, full-time, undergraduate, day-school enrollment
- Maintenance of the scholarship program’s required cumulative grade point average
- Fulfillment of specific requirements of the scholarship program over a maximum of eight semesters or until a baccalaureate degree is earned, whichever occurs first.

Detailed scholarship requirements are included with the student’s admission materials. All University scholarship programs are awarded only for the fall and spring semesters of the academic year and do not apply to summer terms.

TUITION REMISSION STUDENTS

Students eligible for Saint Louis University’s employee tuition remission benefit programs (spouse/children, faculty/staff, FACHEX, tuition exchange, Tenet, etc.) will be considered only for honorary (non-monetary) Saint Louis University merit-based scholarship designation.

FRESHMEN ENTERING AT THE MADRID, SPAIN CAMPUS

Students who enroll as direct-entry (incoming) freshmen at Saint Louis University’s Madrid, Spain campus will not be considered for Saint Louis University merit-based scholarships.

NEED-BASED FINANCIAL AID

In addition to merit-based scholarships, Saint Louis University also offers need-based financial aid programs. Filing the FAFSA is required to be considered for need-based financial aid programs. Filing the FAFSA between Jan. 1, 2016, and the priority deadline of Mar. 1, 2016, is highly encouraged to be considered for the maximum value of these awards.

PLEASE NOTE THAT ALL PROGRAMS, POLICIES AND PROCEDURES DESCRIBED ARE SUBJECT TO CHANGE. ALL STATEMENTS IN THIS PUBLICATION CONCERNING REQUIREMENTS, PREREQUISITES, CONDITIONS OR OTHER MATTERS ARE FOR INFORMATIONAL PURPOSES ONLY AND ARE SUBJECT TO CHANGE WITHOUT NOTICE. THEY ARE NOT TO BE INTENDED AS OFFERS TO CONTRACT. PLEASE CONTACT THE OFFICE OF ADMISSION FOR ALL CURRENT INFORMATION.
Merit-Based Scholarships

BILLIKEN, IGNATIAN, UNIVERSITY, DEANS’ AND VICE PRESIDENTS’ SCHOLARSHIPS

Saint Louis University is committed to recognizing the academic achievement of incoming freshman students through a number of merit-based scholarships, which range in value from $3,000 to $18,000 per year. These scholarships do not require a separate scholarship application; the Application for Freshman Admission automatically qualifies applicants for consideration. Selection will be based on the applicant’s high school academic achievement, test scores, leadership and community service.

PRESIDENTIAL SCHOLARSHIP

Each year, Saint Louis University grants its most prestigious academic award, the Presidential Scholarship, to a select number of its most qualified freshman applicants.

The Presidential Scholarship is valued at full tuition and recipients are eligible to apply for additional funding (up to $1,200) in support of an Investigative Learning Experience (ILEX). A Presidential Scholar’s ILEX may take the form of a research venture, service project, internship or other extracurricular endeavor of choice. In addition, Presidential Scholars are invited to apply their scholarship toward the tuition costs of a University-sponsored study abroad program at any time during their course of study.

Eligibility

Students who meet the following minimum requirements are invited to fill out a separate application for Presidential Scholarship candidacy:

• A cumulative GPA of 3.85 or higher, weighted or unweighted, as reported on the student’s high school transcript at the time of application.

• A composite ACT score of at least 30 or a combined SAT score of at least 1330 (math + critical reading).

Only those students who meet the above-stated requirements will be considered eligible for candidacy. These criteria are used only for determining eligibility and do not guarantee that the student will be selected either for further competition or as a Presidential Scholarship recipient.

Application Instructions

To apply for Presidential Scholarship candidacy, students meeting our initial eligibility requirements must:

• Submit all components of the Application for Freshman Admission by Dec. 1, 2015.

• Submit the Saint Louis University Presidential Scholarship Application online by Dec. 1, 2015.

MARTIN LUTHER KING JR. SCHOLARSHIP

The Martin Luther King Jr. Scholarship is granted to students who are committed to the promotion of diversity in our society and who have demonstrated leadership in multicultural, school or community activities. Recipients of the Martin Luther King Jr. Scholarship will be connected to students, faculty and staff who are committed to promoting Dr. King’s ideals at Saint Louis University. Recipients are those students who have demonstrated leadership as agents of change or influence within their school and/or community activities. King Scholars champion the ideals of Dr. King and his legacy of servant leadership, on campus and beyond. All awardees receive a minimum total of $13,000 (merit-based scholarship + King scholarship).

Eligibility

Students who meet the following criteria are invited to fill out a separate application for Martin Luther King Jr. Scholarship candidacy:

• Above average ACT/SAT test scores

• Cumulative GPA of 3.25 or higher, weighted or unweighted, as reported on the student’s high school transcript at the time of application

Only those students who meet the above-stated requirements will be considered eligible for candidacy. These criteria are used only for determining eligibility and do not guarantee that the student will be selected either for further competition or as a Martin Luther King Jr. Scholarship recipient.

Application Instructions

To apply for Martin Luther King Jr. Scholarship candidacy, students meeting the above-stated criteria should:

• Submit all components of the Application for Freshman Admission by Feb. 1, 2016.

• Submit the Martin Luther King Jr. Scholarship Application online by the Feb. 1, 2016 priority deadline.

THE MARTIN LUTHER KING JR. SCHOLARSHIP APPLICATION CAN BE SUBMITTED ONLINE AT ADMISSION.SLU.EDU

Upon review of the scholarship applications, a select group of students will be invited to Saint Louis University’s campus for an interview weekend in Mar. 2016 to compete for the Martin Luther King Jr. Scholarship.

PLEASE NOTE THAT NEW FRESHMAN APPLICANTS MAY RECEIVE ONLY ONE SAINT LOUIS UNIVERSITY MERIT-BASED SCHOLARSHIP. UNIVERSITY MERIT-BASED SCHOLARSHIPS CANNOT BE COMBINED WITH ONE ANOTHER AT ANY TIME.

STUDENTS WHO APPLY FOR THE PRESIDENTIAL SCHOLARSHIP AND/OR MARTIN LUTHER KING JR. SCHOLARSHIP SHOULD DO SO UNDER THE ASSUMPTION THAT, IF AWARDED, EITHER SCHOLARSHIP WILL REPLACE ANY OFFER FOR MERIT-BASED SCHOLARSHIP PREVIOUSLY MADE BY THE UNIVERSITY. ELIGIBLE STUDENTS ARE WELCOME TO APPLY FOR BOTH OF THESE SCHOLARSHIPS WITH THE UNDERSTANDING THAT ONLY ONE MERIT-BASED SCHOLARSHIP CAN BE AWARDED BY THE UNIVERSITY.
