TOTAL HOURS REQUIRED FOR SOCIOLOGY MINOR: 21
Regarding Electives: The list of electives is not comprehensive. Students may take other courses within the department as electives, if they obtain approval from their mentor and the department chair.

Double Counting: A student may double count only those courses that are REQUIRED for both (2 or more) of the degree programs (including majors, minors, and certificates) that students pursue WITHIN our department (Sociology, Anthropology, and Forensic Science).

Between the department and another department: We do not allow courses taken within our department to double count for another degree in a different department. We do not allow students to use courses taken outside the department to satisfy our degree requirements.

Grade Requirements: We recommend that students achieve a C- or better in all required courses for the major, minor, or certificate. Students must maintain an average GPA of at least 2.0 in the courses taken to satisfy their major, minor, or certificate. Students must maintain an overall GPA at SLU at or above 2.0.

HOW TO DECLARE YOUR MINOR: Students wishing to declare a Minor must officially do so through either the Office of Academic Advising, 2nd Floor Verhaegen Hall (977-2370) or at the College of Arts & Sciences, 2nd Floor Verhaegen Hall, Room 218 (977-2708).
