Greetings from Human Resources

We are pleased to announce an exciting event coming to SLU on September 20. Acclaimed speaker, author and SLU graduate, John O’Leary will be joining us to speak about the “Power of One”. Additional information including registration information is provided below. All faculty and staff are invited to attend this unique and special event. We hope you will join us!

John O’Leary - “Power of One”

September 28, 2017 - 8:30am to 10:00am - Center for Global Citizenship
Expected to die, John O’Leary now teaches others how to truly live.

John illustrates this truth: one attitude, one action and one person can absolutely change the world. All faculty and staff are invited to attend the event as an inspirational moment to remind each of us of the power we have to make a difference and shape the future of SLU - for our students, for each other, and for our community. Space is limited so register here through SkillSoft to reserve your seat and be entered in a raffle to receive a complimentary copy of John’s book, On Fire. Copies of the book will also be available for purchase at the event.

About John: John O’Leary is a SLU graduate (Cook ’99) and has served as a chaplain at Cardinal Glennon. He is a graduate of Desmet High School and currently resides in Webster Groves with his wife, Beth (Hiittler) O’Leary (Doisy ’01), and family. Learn more about his story.

Individuals who may be seeing patients or teaching classes during the talk will receive an invitation to an alternative time.

Wellness

Life Insurance Beneficiary Updates
Keeping your life insurance beneficiary information current is an important aspect of managing your benefits at SLU. If you have had a life change, such as marriage or a birth, since joining SLU please consider updating your life insurance beneficiary by completing a new beneficiary form.

Tuition Exchange Deadline
The deadline to apply for the Tuition Exchange and FACHEX programs is Mon., Oct. 2. For more information on all the tuition benefits, click here.

SLULife Blog

Check out the June update of SLULife! SLULife is a bi-monthly publication for SLU faculty and staff to highlight notable events in their departments and personal lives. SLULife includes news, stories, and announcements from University faculty and staff members related to the following topics:
- Recognition programs or events
- Community events
- Congratulations
SLU Sparks that recipients are willing to share are also posted in SLULife.

Complete this form to submit a notable announcement, event, or information to be included in the August update of SLULife. Submissions are due by August 1.

Questions should be directed to slulifenewsletter@slu.edu

Skillsoft App
Cura

Cura is a grassroots effort created in response to input from SLU’s faculty and staff members. It is here to empower and support all members of the SLU community as we build and sustain a positive workplace culture that helps us to be the University our mission calls us to be. Visit the Cura website to learn more.

SLU Spark Spotlight

Congratulations to Joey Pieper, ITS-Customer Service, who received a SLU Spark! Joey was recognized by Maureen Wikete Lee, School of Education, for serving others.

"Joey goes above and beyond to assist faculty with IT issues. Most recently, he provided essential support during a presentation to international faculty visiting campus. I was so thankful for his quick work which allowed me to continue moving forward with the presentation until the tech issues were resolved. He is always calm and efficient which makes a big difference when unanticipated issues arise during a presentation. Thank you so much!!!"

SLU Sparks is an immediate outlet for peer-to-peer recognition, inspired by the Jesuit phrase “go forth and set the world on fire.” As an element of the Cura program, SLU Sparks is an opportunity to appreciate the colleagues who make a positive impact. Learn more about SLU Sparks here. Note: the SLU Sparks highlighted in The Bulletin are chosen at random.
