This workshop will be held at the PASE Learning Center located in Young Hall, 3839 Lindell Boulevard, Saint Louis, MO 63108

EDUCATIONAL OBJECTIVES

The workshop has been designed to provide Cosmetic Facial Surgeons and Dermatologists a comprehensive overview of the surgical and nonsurgical rejuvenation techniques for the aged upper and lower eyelid and midface. By completing the workshop, the learner will be able to:

- Describe and perform upper and lower blepharoplasty procedures
- Demonstrate the use of implants for facial rejuvenation
- Discuss pearls and pitfalls of each surgical procedure
- Discuss and demonstrate the endoscopic brow lift procedure
- Discuss minimally invasive procedures for facial rejuvenation including laser and energy based rejuvenation and tightening, fat repositioning and use of fillers and neurotoxins.
- Incorporate techniques of scar optimization into practice.

ACCREDITATION:

Saint Louis University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION:
