SECTION III: GENERAL

A. LIMITATIONS:
The rates in this Agreement are subject to any statutory or administrative limitations and apply to a given grant, contract or
other agreement only to the extent that funds are available. Acceptance of the rates is subject to the following conditions:
(i) Only costs incurred by the organization were included in its facilities and administrative cost pools as finally accepted; such
costs are legal obligations of the organization and are allowable under the governing cost principles; (ii) The same costs that have
been treated as facilities and administrative costs are not claimed as direct costs; (iii) Similar types of costs have been accorded
consistent accounting treatment; and (iv) The information provided by the organization which was used to establish the rates is not
later found to be materially incomplete or inaccurate by the Federal Government. In such situations the rates would be subject to
renegotiation at the discretion of the Federal Government.

B. ACCOUNTING CHANGES:
This Agreement is based on the accounting system purported by the organization to be in effect during the Agreement period. Changes
to the method of accounting for costs which affect the amount of reimbursement resulting from the use of this Agreement require
prior approval of the authorized representative of the cognizant agency. Such changes include, but are not limited to, changes in
the charging of a particular type of cost from facilities and administrative to direct. Failure to obtain approval may result in
cost disallowances.

C. FIXED RATES:
If a fixed rate is in this Agreement, it is based on an estimate of the costs for the period covered by the rate. When the actual
costs for this period are determined, an adjustment will be made to a rate of a future year(s) to compensate for the difference
between the costs used to establish the fixed rate and actual costs.

D. USE BY OTHER FEDERAL AGENCIES:
The rates in this Agreement were approved in accordance with the authority in Office of Management and Budget Circular A-21
Circulars, and should be applied to grants, contracts and other agreements covered by this Circular, subject to any limitations in a
short. The organization may provide copies of the Agreement to other Federal Agencies to give them early notification of the
Agreement.

E. OTHER:
If any Federal contract, grant or other agreement is reimbursing facilities and administrative costs by a method other than the
approved rates(s) in this Agreement, the organization shall (i) credit such costs to the affected programs, and (ii) apply the
approved rates(s) to the appropriate base to identify the proper amount of facilities and administrative costs allocable to these
programs.
