Registering for NIAID GCP Training
New Users

Step 1:
Log into your SLU email account (or other G-mail account).
Open a new tab and go to https://gcplearningcenter.niaid.nih.gov or click HERE.
You must access this training from the same Internet browser where you are logged in to your SLU mail (or other G-mail account). To do this, log into your SLU email account, open a new tab and access the address above.
Click the blue "Login" button.
STEP 2:
Under the Account Type menu, select “Social Login/OpenID”.

Remember: You must be logged into a G-mail account (SLU or other) to access this course (unless you have been given other access instructions or otherwise have permissions to access).
STEP 3:

On the new drop down menu that appears, select “Google”.

Then click “Continue”.

Revised January 5, 2017
STEP 4:
When prompted, click “Allow”.

NIH Login would like to:

- View your email address

- View your basic profile info

By clicking Allow, you allow this app and Google to use your information in accordance with their respective terms of service and privacy policies. You can change this and other Account Permissions at any time.
STEP 5: Begin your registration by entering your first and last name.
STEP 6:
Continue to create your profile as prompted. When your profile is completed you will be taken to the main menu to start the GCP course.

If you have any questions, please contact the IRB Office at (314) 977-7744.

Answer the questions honestly. You do not have to work for the NIAID to complete this course, it is a free course open to the public.
