Founded in 1818, Saint Louis University is one of the nation’s oldest and most prestigious Catholic institutions. Rooted in Jesuit values and with a pioneering history as the first university west of the Mississippi River, SLU offers more than 13,500 students a rigorous, transformative education of the whole person on our St. Louis, Missouri, and Madrid, Spain, campuses. At the core of the University’s diverse community of scholars is SLU’s service-focused mission, which challenges and prepares students to make the world a better, more just place.

OUR MISSION
The mission of Saint Louis University is the pursuit of truth for the greater glory of God and for the service of humanity. The University seeks excellence in the fulfillment of its corporate purposes of teaching, research, health care and service to the community.

As a Catholic, Jesuit university, this pursuit is motivated by the inspiration and values of the Judeo-Christian tradition and is guided by the spiritual and intellectual ideals of the Society of Jesus.

SLU PRESIDENT’S VISION

WHAT’S A BILLIKEN?
The Billiken is a mythical good-luck figure who represents “things as they ought to be.” Before he was Saint Louis University’s mascot, he was a national sensation. In 1908, art teacher Florence Pretz received a patent for her version of the mythical figure. Later, the Billiken Co. of Chicago adopted the likeness, giving the Billiken its name and manufacturing Billiken statuettes.

In 1910, local sportswriters thought SLU football coach John Bender bore a striking resemblance to the impish creature, and SLU’s football team was dubbed “Bender’s Billikens.” The public took up the moniker, and it became the official nickname of all SLU teams.
