Founded in 1818, Saint Louis University is one of the nation’s oldest and most prestigious Catholic institutions. Rooted in Jesuit values and its pioneering history as the first university west of the Mississippi River, SLU offers more than 12,000 students a rigorous, transformative education of the whole person. At the core of the University’s diverse community of scholars is SLU’s service-focused mission, which challenges and prepares students to make the world a better, more just place.

OUR MISSION

The mission of Saint Louis University is the pursuit of truth for the greater glory of God and for the service of humanity. The University seeks excellence in the fulfillment of its corporate purposes of teaching, research, health care and service to the community.

The University is dedicated to leadership in the continuing quest for understanding of God’s creation and for the discovery, dissemination and integration of the values, knowledge and skills required to transform society in the spirit of the Gospels. As a Catholic, Jesuit university, this pursuit is motivated by the inspiration and values of the Judeo-Christian tradition and is guided by the spiritual and intellectual ideals of the Society of Jesus.

Inspired by the Jesuit call to be men and women for others, service is an integral part of Saint Louis University’s identity.
WHAT’S A BILLIKEN?

The Billiken is a symbol of good luck that became a national craze in the early 1900s. In 1908, art teacher Florence Pretz received a patent for her version of the mythical figure. Later, the Billiken Co. of Chicago adopted the likeness, giving the Billiken its name. Manufactured as a bank and statuette, the Billiken reached its peak of popularity in 1911.

Its association with SLU can be traced back to around 1910, when local sportswriters thought that SLU football coach John Bender bore a striking resemblance to the impish creature. One writer drew a cartoon of Bender as a Billiken, posted it in a drugstore window and dubbed the football team “Bender’s Billikens.” The public took up the moniker, and it soon became the official nickname of all SLU teams.
