

# SEXUAL MISCONDUCT ON CAMPUS

Sexual misconduct is a term that encompasses all forms of sexual assault and/or sexual harassment (including relationship/dating violence as well as stalking).

*If a student discloses any form of sexual misconduct or assault to you:*

Step 1:  
Safety

Step 2:  
Outreach

Step 3:  
Support

## Step 1: Safety

Disclosing a sexual assault, no matter how long ago it occurred, is a tough conversation. Listen to the student and hear what they have to say – provide non-judgmental support. Ask minimal questions about the ‘details’ of the assault but ensure that they are safe. Avoid any comments that may shift blame onto the victim.

## Step 2: Outreach

It’s vital that the student know that staff and faculty at SLU care for them and are there to assist them. Please familiarize yourself with the resources below and share them with any student who discloses sexual assault to you.

## Step 3: Support

All incidents of sexual misconduct, relationship violence, and/or stalking must be reported to the Title IX Coordinator within 48 hours of disclosure. SLU’s Title IX Coordinator is Anna Kratky from the Office of Institutional Equity and Diversity (OIED). The OIED is located in DuBourg Hall, Room 36. Contact phone number: 314.977.3886. Staff in the OIED will work with you, the student(s), and perform follow up as needed.
