

**SAINT LOUIS UNIVERSITY™**

*Application for Admission*  
**FOR FRESHMAN ADMISSION 2018-2019**

# Admission Timeline

## OCTOBER 1, 2017

### Free Application for Federal Student Aid (FAFSA) Available to First Time Filers

The 2018-2019 FAFSA (for freshmen entering in fall 2018) is available beginning October 1. The FAFSA is available at your high school guidance office or online at [fafsa.ed.gov](http://fafsa.ed.gov).

Filing the FAFSA is required to be considered for need-based financial aid programs. Filing the FAFSA between October 1 and February 1 is strongly encouraged to be considered for the maximum value of these awards. **SLU's FAFSA School Code is 002506.**

Please note that filing the 2018-2019 FAFSA is not required to ensure or maintain eligibility for merit-based scholarship. Filing the FAFSA is, however, required to ensure priority consideration for all need-based University, federal and state financial assistance programs.

## NOVEMBER 1, 2017

### Admission and Scholarship Review Begins

The Office of Admission begins reviewing applications for admission and scholarship on a rolling basis beginning November 1. Admission and scholarship decisions are mailed beginning in November and on a rolling basis as well.

## DECEMBER 1, 2017

### Priority Deadline for Scholarship Consideration

To be considered for University scholarships, the Application for Freshman Admission, essay, high school transcript and official ACT or SAT test scores must be submitted by December 1.

Applications submitted by December 1 will be automatically considered for a range of Saint Louis University's merit-based scholarships; please refer to the "Merit-Based Scholarships" section for more information. Applications submitted after December 1 will be given scholarship consideration based on availability of funds.

### Deadline for Presidential Scholarship Application

To be considered for the Presidential Scholarship, a separate online scholarship application is required. All components of the Application for Freshman Admission and the Presidential Scholarship Application must be submitted by December 1 to be eligible for consideration.

### Deadline for Medical Scholars and the University Honors Program Consideration

To be considered for SLU's Medical Scholars Program and the University Honors Program, the completed Application for Freshman Admission must be submitted online by December 1. In addition, students must fill out a separate online application for the Medical Scholars Program and the University Honors Program by December 1.

### Application Deadline for the Occupational Therapy and Physical Therapy Programs and Preferred Deadline for the Nursing Program

Students interested in the Occupational Therapy and Physical Therapy programs must apply by December 1 for consideration. Students interested in Nursing are strongly encouraged to apply by December 1. After December 1, applications to the Nursing program will be considered on a space-available basis.

## FEBRUARY 1, 2018

### Priority deadline for filing the 2018-2019 FAFSA

For students who file their FAFSA after February 1, consideration for need-based awards will be based on the availability of funds. Beginning in February, comprehensive financial aid packages, which include both merit-based awards and need-based aid (if applicable), will be issued to students who submitted the FAFSA by the priority deadline.

### Deadline for Martin Luther King Jr. Scholarship Application

To be considered for the Martin Luther King Jr. Scholarship, a separate scholarship application is required. All components of the Application for Freshman Admission and the Martin Luther King Jr. Scholarship Application should be submitted by the February 1 deadline to be eligible for consideration.

### Deadline for Physician Assistant (PA) Scholars Program Consideration

To be considered for SLU's Physician Assistant (PA) Scholars program, the completed Application for Freshman Admission must be submitted online by February 1. In addition, student must fill out a separate online application for the PA Scholars Program by February 1. The application is available July 1.

### Priority Deadline for Pre-Law Scholars Program Consideration

For SLU's Pre-Law Scholars Program, the completed Application for Freshman Admission must be submitted online by February 1. Students must fill out a separate online application for the Pre-Law Scholars Program.

Occupational Therapy, Physical Therapy and Nursing notifications and wait list decisions are sent.

## MARCH 1, 2018

### Decisions Mailed for Medical Scholars, Pre-Law Scholars and University Honors Programs

Admission decisions for these programs will be mailed to all eligible applicants on March 1. Allowing for usual delays in the mail, eligible applicants can expect to receive written notice of their status with these programs within the first two weeks of March.

## APRIL 1, 2018

### Deadline for Pharmacy Scholars Consideration

To be considered for SLU's Pharmacy Scholars program, the completed Application for Freshman Admission must be submitted online by February 1. In addition, student must fill out a separate online application for the Pharmacy Scholars Program by February 1. The application is available July 1.

## MAY 1, 2018

### Deadline for Enrollment Deposit

Admitted students must submit their non-refundable, \$450 enrollment deposit (submitted or postmarked no later than May 1) to secure a position in the entering freshman class. This dollar amount is subject to change. Please check website for updates.

\$200 of your enrollment deposit is refundable until May 1, should you choose not to attend Saint Louis University. This dollar amount is subject to change. Please check website for updates.

### Deadline for Housing Contract

First-time freshmen are required to live on campus for the first four semesters of enrollment. The housing contract must be submitted by May 1.

Housing is assigned on a priority basis according to the date when the completed housing contract and deposit are received by the University. Instructions on how to apply for housing are included along with notification of admission.

## Application Procedure

The applicant should complete the Application for Freshman Admission, Section I of the Secondary School Report Form and the application essay. The Secondary School Report Form should then be given to the high school guidance counselor for completion.

When finished completing the Secondary School Report Form, the high school guidance counselor should be instructed to send the completed form and the applicant's official high school transcript directly to the Admission Office.

Applicants who are not graduates of a high school or who are home-schooled must also submit an official copy of their GED or HiSET certificate or transcripts from an accredited home-schooling program and official ACT or SAT test scores.

## RÉSUMÉS AND LETTERS OF RECOMMENDATION

In general, résumés and letters of recommendation are not required of applicants to the University. However, résumés and letters of recommendation are highly recommended for scholarship consideration and are required for any student applying for the Presidential Scholarship, the Martin Luther King Jr. Scholarship, University Honors, Medical Scholars and Pre-law Scholars.

## ADMISSION INTERVIEW

While not required, an admission interview is recommended of all applicants.

## ACT AND SAT TEST SCORES

Saint Louis University accepts both ACT and SAT test scores. Test scores are required for all high school graduates, applicants having graduated from high school within five years of the date of intended enrollment and home-schooled/GED/HiSET applicants.

Test scores must be reported electronically by the testing company. In requesting this information, **please use the appropriate codes for Saint Louis University: 2352 for the ACT and 6629 for the SAT.**

The University will evaluate only an applicant's highest overall score from any one test date. There is no penalty for retaking either the ACT or SAT, and applicants may submit as many individual test scores as deemed necessary. Applicants may not combine sub-scores from different test dates.

December test scores from the applicant's senior year are the last that will be taken into account for scholarship consideration.

## THE ACT WRITING SECTION

Saint Louis University does not require that ACT test-takers sit for the optional writing section of the ACT. If submitted, however, the optional writing section of the ACT may be evaluated as a writing sample.

## THE NEW SAT WRITING SECTION

College Board launched a redesigned SAT in March 2017, so any applicants for 2018 or beyond should take the new test. They can also submit scores from the pre-2017 version, and SLU will use scores from either one in a way that ensures equity. For applicants for any 2017 term SLU will use scores from the current test.

For more information about the SAT redesign, visit the College Board website at [collegeboard.org](http://collegeboard.org).

## PRIORITY DEADLINE AND SCHOLARSHIP CONSIDERATION

**December 1** is the priority deadline for Saint Louis University scholarship consideration. To be considered for University scholarships, the student's admission packet, including the **completed Application for Freshman Admission, essay, high school transcript and ACT or SAT test scores should be submitted by December 1.** Completed applications submitted by this date will automatically be given consideration for a range of SLU's merit-based scholarships.

Saint Louis University offers a variety of merit-based scholarships. To be considered for any of these scholarships, the student must be admitted to the University as a full-time undergraduate and meet the specific scholarship program criteria.

## SCHOLARSHIPS WHICH REQUIRE SEPARATE APPLICATIONS

Students wishing to be considered for the Presidential Scholarship and/or the Martin Luther King Jr. Scholarship must also submit additional scholarship applications by the appropriate deadlines. Please refer to the admission timeline for more information.

## AWARDING OF SCHOLARSHIPS

New freshman applicants may receive only one Saint Louis University merit-based scholarship. University merit-based scholarships cannot be combined with one another but do not preclude students from receiving other types of financial aid or additional scholarships from other sources.

Students who apply for the Presidential Scholarship and/or Martin Luther King Jr. Scholarship should do so under the assumption that, if awarded, either scholarship may replace any offer for merit-based scholarship previously made by the University. Eligible students are welcome to apply for both of these scholarships but should remember that only one merit-based scholarship can be awarded by the University.

Please note that the University reserves the right to change, increase, reduce or cancel Saint Louis University scholarship programs at any time.

# Admission Policy

## APPLICANT REVIEW

Once the Office of Admission has received all required admission information, the applicant's file is reviewed to determine eligibility for admission to the University. Admission decisions are made on a continuous or "rolling" basis beginning November 1. Please note that most Physical Therapy, Occupational Therapy and Nursing applications are reviewed in January and are not reviewed on a rolling basis.

Students interested in most Physical Therapy, Occupational Therapy and Nursing applications must submit the completed Application for Freshman Admission and indicate the appropriate major by December 1 for consideration into these highly-selective programs. Admission notifications for these programs will be sent by February 1.

Solid academic performance in college preparatory course work is a primary concern in reviewing a freshman applicant's file. College admission test scores (ACT or SAT) are used as an additional indicator of the student's ability to meet the academic rigors of Saint Louis University and are used as qualifiers for certain Saint Louis University scholarship programs.

To be considered for admission to any Saint Louis University undergraduate program, the applicant must be a graduate of an accredited high school or must have an acceptable score on the General Education Development (GED) or HiSET test.

## PROBATIONARY ADMISSION

Freshman applicants not meeting admission requirements for the fall semester may be offered admission through the University's Billiken Success Program.

## RECOMMENDED HIGH SCHOOL COURSEWORK

Students are strongly encouraged to present five academic courses for each of the four years of high school. These academic courses should include the following:

- 4 years of English
- 4 years of Mathematics
- 3 years of Foreign Language

In addition to the recommended general courses listed, academic programs within the Doisy College of Health Sciences require high school natural sciences courses in biology and chemistry. High school physics is strongly recommended for Physical Therapy applicants.

## HOME-SCHOOLED STUDENTS

Saint Louis University welcomes admission applications from home-schooled students. Home-schooled applicants must submit all secondary-level transcripts and official ACT or SAT test scores; if transcripts from an accredited home-schooling program are not available, then an official GED or HiSET certificate copy must be submitted. Home-schooled students are eligible for scholarship consideration; please refer to "Scholarship Policy" for more information.

# Scholarship Policy

## SCHOLARSHIP RENEWAL POLICY

Saint Louis University scholarship programs are renewable contingent upon a student's:

- Continuous, full-time, undergraduate, day-school enrollment
- Maintenance of the scholarship program's required cumulative grade point average
- Fulfillment of specific requirements of the scholarship program over a maximum of eight semesters or until a baccalaureate degree is earned, whichever occurs first.

Detailed scholarship requirements are included with the student's admission materials. All University scholarship programs are awarded only for the fall and spring semesters of the academic year and do not apply to summer terms.

## TUITION REMISSION STUDENTS

Students eligible for Saint Louis University's employee tuition remission benefit programs (spouse/children, faculty/staff, FACHEX, tuition exchange, etc.) will be considered only for honorary (non-monetary) Saint Louis University merit-based scholarship designation.

## FRESHMEN ENTERING AT THE MADRID, SPAIN CAMPUS

Students who enroll as direct-entry (incoming) freshmen at Saint Louis University's Madrid, Spain campus will not be considered for Saint Louis University merit-based scholarships.

## NEED-BASED FINANCIAL AID

In addition to merit-based scholarships, Saint Louis University also offers need-based financial aid programs. Filing the FAFSA is required to be considered for need-based financial aid programs. Filing the FAFSA between October 1 and the priority deadline of February 1 is highly encouraged to be considered for the maximum value of these awards.

Please note that all programs, policies and procedures described are subject to change. All statements in this publication concerning requirements, prerequisites, conditions or other matters are for informational purposes only and are subject to change without notice. They are not to be intended as offers to contract. Please contact the Office of Admission at 314-977-2500, 800-758-3678 or [admission@slu.edu](mailto:admission@slu.edu); or see our website at [slu.edu/admission](http://slu.edu/admission).

# Merit-Based Scholarships

## BILLIKEN, IGNATIAN, UNIVERSITY, DEANS' AND VICE PRESIDENTS' SCHOLARSHIPS

Saint Louis University is committed to recognizing the academic achievement of incoming freshman students through a number of merit-based scholarships, which range in value from \$3,000 to \$18,000 per year. These scholarships do not require a separate scholarship application; the Application for Freshman Admission automatically qualifies applicants for consideration. Selection will be based on the applicant's high school academic achievement, test scores, leadership and community service.

## PRESIDENTIAL SCHOLARSHIP

Each year, Saint Louis University grants its most prestigious academic award, the Presidential Scholarship, to a select number of its most qualified freshman applicants.

The Presidential Scholarship is valued at full tuition and recipients are eligible to apply for additional funding (up to \$1,200) in support of an Investigative Learning Experience (ILEX). A Presidential Scholar's ILEX may take the form of a research venture, service project, internship or other extracurricular endeavor of choice. In addition, Presidential Scholars are invited to apply their scholarship toward the tuition costs of a University-sponsored study abroad program at any time during their course of study.

### Eligibility

Students who meet the following minimum requirements are invited to fill out a separate application for Presidential Scholarship candidacy:

- A cumulative GPA of 3.85 or higher, weighted or unweighted, as reported on the student's high school transcript at the time of application.
- Official test score of at least 30 composite on the ACT or SAT of at least 1330 (math + critical reasoning) taken prior to March 2016 or a 1390 (math + evidence-based reading and writing) taken after March 2016.

Only those students who meet the above-stated requirements will be considered eligible for candidacy. These criteria are used only for determining eligibility and do not guarantee that the student will be selected either for further competition or as a Presidential Scholarship recipient.

### Application Instructions

To apply for Presidential Scholarship candidacy, students meeting our initial eligibility requirements must:

- Submit all components of the Application for Freshman Admission by December 1.
- Submit the Saint Louis University Presidential Scholarship Application online by December 1.

**The Presidential Scholarship Application can be submitted online at [slu.edu/apply](http://slu.edu/apply).**

Upon review of the scholarship applications, a select group of students will be invited to Saint Louis University's campus for an interview weekend in January or February 2018 to compete for the Presidential Scholarship.

## MARTIN LUTHER KING JR. SCHOLARSHIP

SLU's Martin Luther King Jr. Scholarship is an academic award offered to students who have demonstrated leadership as agents of change or influence within their school and/or community activities.

King Scholars champion the ideals of Dr. King and his legacy of servant leadership, on campus and beyond. If you receive a King Scholarship, you'll participate in a structured program designed to deepen your self-awareness, be exposed to multicultural experiences and encouraged to develop as an advocate for positive social change. All awardees receive a minimum total of \$13,000 (merit-based scholarship + King scholarship).

### Eligibility

Students who meet the following criteria are invited to fill out a separate application for Martin Luther King Jr. Scholarship candidacy:

- Cumulative GPA of 3.25 or higher, weighted or unweighted, as reported on the student's high school transcript at the time of application
- Official test score of at least 23 composite on the ACT or SAT of at least 1050 (math + critical reasoning) taken prior to March 2016 or a 1130 (math + evidence-based reading and writing) taken after March 2016.

Only those students who meet the above-stated requirements will be considered eligible for candidacy. These criteria are used only for determining eligibility and do not guarantee that the student will be selected either for further competition or as a Martin Luther King Jr. Scholarship recipient.

### Application Instructions

To apply for Martin Luther King Jr. Scholarship candidacy, students meeting the above-stated criteria should:

- Submit all components of the Application for Freshman Admission by February 1.
- Submit the Martin Luther King Jr. Scholarship Application online by the February 1 priority deadline.

**The Martin Luther King Jr. Scholarship Application can be submitted online at [slu.edu/apply](http://slu.edu/apply).**

Upon review of the scholarship applications, a select group of students will be invited to Saint Louis University's campus for an interview weekend in March to compete for the Martin Luther King Jr. Scholarship.

Please note that new freshman applicants may receive only one Saint Louis University merit-based scholarship. University merit-based scholarships cannot be combined with one another at any time.

Students who apply for the Presidential Scholarship and/or Martin Luther King Jr. Scholarship should do so under the assumption that, if awarded, either scholarship will replace any offer for merit-based scholarship previously made by the University. Eligible students are welcome to apply for both of these scholarships with the understanding that only one merit-based scholarship can be awarded by the University.
