NOW THAT YOU’RE ADMITTED, there are just a few things you’ll need to do before you start your classes as a Billiken. Read about them below, and if you have any questions, be sure to contact your admission counselor.

**BILLIKEN checklist**

1. **ACTIVATE YOUR SLU NET ID AND LOG INTO MYSLU.**
   - Myslu.slu.edu is where you’ll go to pay your deposit, complete your housing contract and more. Here’s how to activate your SLU Net ID:
     - Go to password.slu.edu and enter your SLU Net ID, which is issued in this packet. Your temporary password consists of the letters “Id” followed by the last six digits of your Banner ID number. For example, if your Banner ID is 123456789, then your temporary password is Id456789.
     - Re-enter your temporary password and create a new one, then click Change Password.
     - For password assistance, contact the ITS service desk at 314-977-4000 or helpdesk@slu.edu.
     - Watch a step-by-step video by visiting slu.edu/admitted-students.

2. **SUBMIT YOUR FREE APPLICATION FOR FEDERAL STUDENT AID (FAFSA)**
   - For need-based financial assistance, visit fafsa.gov by Feb. 1, 2020, for priority consideration.
   - SLU’s FAFSA school code is 002506.
   - Before you file the FAFSA, you and your parent(s) should visit fsaid.ed.gov to create separate IDs and passwords. This will allow you to sign the FAFSA electronically and ensure that your information is processed more quickly.
   - If your FAFSA is received by the Feb. 1 priority deadline, your total financial aid package, which includes both merit-based and need-based awards, will be sent to you in February.

3. **SUBMIT YOUR DEPOSIT BY MAY 1 TO CONFIRM YOUR ENROLLMENT.**
   - To confirm your enrollment at SLU, you’ll need to pay a $450 enrollment deposit. This secures your place in the freshman class and should be submitted when you have decided to attend SLU. If you decide not to attend SLU, you will forfeit your enrollment deposit.
   - To pay your enrollment deposit through myslu.slu.edu, click the Tools tab and choose the Payment Suite icon. Within the Payment Suite, click on the eDeposits tab. Note that the enrollment deposit is followed by the semester in which your enrollment will begin.
   - To pay your enrollment deposit by mail, complete the enclosed Confirmation of Enrollment form and mail it, along with a $450 enrollment deposit check labeled with your name and Banner ID, to:

Learning Communities are inclusive communities formed around academic interests where students learn together and live on the same floor or floors of a residence hall. Students in Learning Communities have the opportunity to take classes together, which can greatly enhance their ability to learn and grow during their first year.

**BEING A PART OF A LEARNING COMMUNITY CAN HELP YOU:**

+ Deepen your connection to your major and faculty.
+ Succeed academically and form study groups more easily.

Join us at one of our Admitted Student Days in early spring. For specific dates and times, visit slu.edu/visit. Students will attend a class while parents learn more about financing a SLU education and support services on campus. You and your parents will come together to meet with a representative from your declared major, as well as to learn more about special programs, including honors, pre-med, pre-law, study abroad and much more. The optional overnight stay on Sunday allows admitted students to experience life in our residence halls and to get a taste of the fun and excitement on our campus. Bond with current students as you listen to one of SLU’s award winning a cappella groups, attend the Sunday evening student Mass in St. Francis Xavier College Church and experience a typical night on SLU’s campus.

We will also feature Admitted Student Lunches this spring. For specific dates and times, visit slu.edu/visit. From touring our freshman residence halls to interacting with current students and staff, future Billikens will see what life is really like on campus. Check out the newly renovated Career Center and Academic Tech Commons, speak to faculty members about your major and academic interests, and learn about the next steps in the enrollment process.

INDIVIDUAL VISITS
Visit SLU on your own schedule! Options can include an academic session or meeting with a faculty member, information session, admission interview or campus tour, an overnight stay in a residence hall with a current student and/or a visit to a class.

ACCOMMODATION PROCESS

If you used a 504 plan, an IEP or any type of academic accommodations (extended-time testing, books on tape, note-taking assistance, etc.) while in high school, you might be able to receive similar accommodations at Saint Louis University. To inquire, you will need to speak with the SLU disabilities counselor. Only after choosing to self-disclose to the disabilities counselor your potential need for academic accommodations will your request be both considered and implemented as necessary.

For more information, contact the disabilities counselor at 314-977-3484 or at disability_services@slu.edu. If you have a medical situation that may require consideration of an on-campus housing accommodation, you should also contact the disabilities counselor. All inquiries will remain confidential, and there is no obligation to utilize services upon inquiry.

For further information, visit disabilities services online at slu.edu/life-at-slu/student-success-center/disability-services. There you will find a number of common questions and answers regarding the accommodation process at SLU.

The federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) requires colleges and universities, both public and private, participating in federal student aid programs to disclose campus safety information, and imposes certain basic requirements for handling incidents of sexual violence and emergency situations.
